Cosmetology Student Instructor Certificate
Cheyenne Campus only

Program Description
The Cosmetology Student Instructor Certificate program will allow students to enroll in a career changing program, taking them from a career providing cosmetology services to one that would prepare them as a trained educator. Students will be able to share their knowledge and experience with new professionals. This program will also provide additional training in the areas of ethics, personality development, lesson plan creation, and various class lecture styles to aid them in the classroom.

Program Objective
Students will cover materials in the following areas:

- Introduction to Teaching (30 hours)
- Ethics and Personality Development (30 hours)
- Preparation of Lesson Plans (100 hours)
- Use of Audio & Video Teaching Aids/Technology (30 hours)
- Test Construction and Analysis (50 hours)
- Record Keeping for Schools and Students (30 hours)
- Theory Class Lectures (80 hours)
- Performance Class Demonstrations (150 hours)
- Law and Rules Governing Cosmetology (20 hours)
- Student Supervision (480 hours)

Employment Outlook
According to the Bureau of Labor Statistics, the employment of career and technical education teachers is projected to grow 9% from 2012 to 2022, about as fast as the average for all occupations. Most job openings will result from the need to replace teachers who leave the occupation.

*These national statistics are not geographically assigned. For more information, please see IBMC’s Career Services Department.

Career Potential
In this program, students will graduate with the specific skill sets needed to master beauty concepts and provide valuable instruction. They will use their knowledge to prepare others for cosmetology, hairstyling, esthetician and nail technician careers, and may work as an educator in a cosmetology college or beauty school.
