ESTHETICIAN

Program available at all IBMC College campuses

No two faces are the same. This career path is perfect for students who have the desire to work with their hands and help others. In this field, Esthetician students will help individuals overcome skin care difficulties, perform beauty care procedures and provide skin care consulting — a great profession for those who love to make a difference and work in a flexible profession.

→ Program Objective

This program provides the student with a foundation of skills and knowledge needed in the areas of facials and skin care, makeup application, and hair removal services.

Training will include both classroom and hands-on experience, provided through practice on models and guests in the Student Beauty Services Clinic.

In addition, courses emphasize a strong foundation of safety, professional work habits, and business skills in order to prepare learners for the State Board Examination and employment as an entry-level Esthetician position in a salon or spa.

→ Employment Outlook / Career Potential

- Faster than the average of all occupations through 2026 — **an employment increase of 14%.***
- Estheticians typically work for/as: salon operators, beauty spas, dermatologist offices, resorts, waxing salons, medical offices/spas, cosmetology marketing, beauty consultants, product buyers, or professional makeup artists.
