SERVICE DESCRIPTIONS

SWEDISH RELAXATION MASSAGE

One of the most popular massages that uses a light to moderate pressure, and long flowing strokes to enhance relaxation and help eliminate stress.

NEUROMUSCULAR DEEP TISSUE MASSAGE

A Swedish massage that uses deeper pressure and more focused treatment to help relieve chronic pain. Deep tissue work uses a variety of range of motion and pressure point therapies to reduce scar tissue, increase circulation and improve injured areas.

FOOT REFLEX PRESSURE POINT THERAPY

Swedish massage for the feet that incorporates Reflexology pressure points. Reflex therapies improve organ health, increase overall circulation and relaxation throughout the body. 60-minute services include hands, scalp, ears and a hot towel treatment on the feet.

SHIATSU FACIAL TONING WITH SWEDISH MASSAGE

A customized Swedish full body massage with added Shiatsu pressure point therapy to the face, neck, arms and scalp to stimulate collagen production, enhance bloodflow and promote facial toning. Includes a hot towel treatment with contrasting cold stone application.

CHAKRA MEDITATION DEEP TISSUE THERAPY (120 MINUTE SERVICE)

A combination of guided Chakra meditation balancing and deep tissue massage along the back and hips that also includes a signature Chakra aroma blend. This treatment is further enhanced by hand, foot and ear Reflex point therapy, a hot towels treatment for the feet and hot stone placement.

Please note:
Not all services are available at all times with all therapists.

! Tips are greatly appreciated.

EXTERN MASSAGE ENHANCEMENTS

Added only to 60 or 90 minute services, includes additional charges and time.

ENHANCEMENT TYPE	MINUTES	PRICE
Signature Aroma Service	-	\$5
Focused Area Cupping	15	\$10
Hot or Cold Stone	15	\$10
Focused Sugar/Salt Scrub	15	\$10

Chair Massage: \$1 per minute / 10 minute minimum (20 minute maximum)

IBMC SIGNATURE SERVICE AROMA THERAPY

A massage enhancement that includes a customized aroma blend, hot rice pack for the back and cold pack for the eyes.

HOT OR COLD STONES

A massage enhancement technique that gently incorporates using hot or cold stones throughout your massage to promote maximum relaxation and circulation

SUGAR/SALT SCRUB

A massage enhancement with a customized, focused scrub using salt or sugar. This exfoliation treatment softens and removes dead skin cells and promotes circulation.
